We, the "Almighty Seniors" of Brevard High School, soon will look back on the happiest days of our lives. For four short years we have studied, worked, laughed, and ployed together.

As freshmen we experienced the first confusion of high school life—new friends, new activities, new rules, and lockers. Then we were sophomores, back again with the great feeling of knowing our way around. Our mischievous ontics tormented the freshmen and teachers. The importance of studying, as wel! as having fun, became apparent during our junior yeor. Our dramatic talent was discovered in one of the best plays in the history of B.H.S. Climax of the year was the Junior-Senior Banquet and Prom.

Now we are seniors. Our rings are the prettiest ever seen at B.H.S. With many activities our senior year passed too swiftly. Money raising campaigns and parties have been fun. Our senior play was a successful production. Everyone enjoyed the wonderful evening of our Junior-Senior. Highlighting the year was a trip to Washington, D. C.

In only a few weeks we will receive our diplomas, and one of the most important steps in our lives will have been taken as we go forward to face the future. We, the graduating class of 1958, leave Brevard High School taking with us many happy memories of our days spent here.

THE LONG GRAY LINE

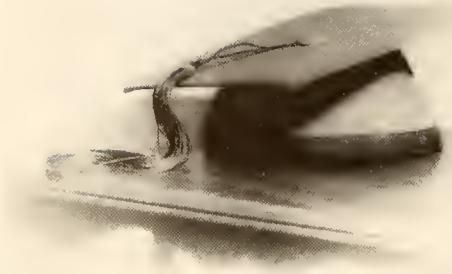

Seniors have last rehearsal before graduation.

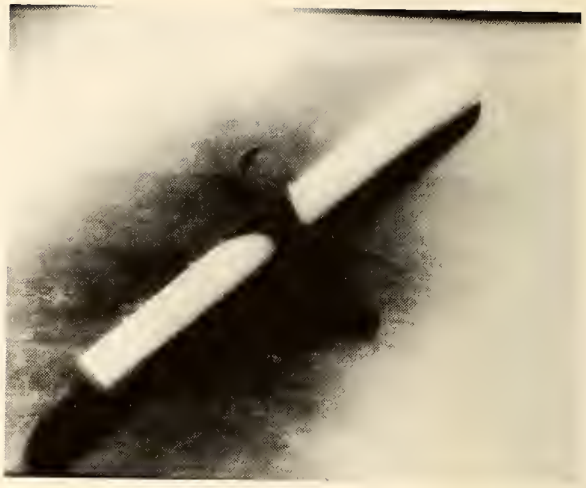

Of higher realms comes the rapture of youthful hope
Shining amid the sorrow of daily strife;
Forever haunting the vaults of death;
Forever exalting the breath of life.

The wings of truth do enwreathe youth's trust
If there be honor to impart.
And there is yet a hope for mortal man
Within the young heart.

Knowledge is triumph; this does such faith cherish
As the treasure of all mankind,
And he who probes and yearns to know,
By his trust will surely find!

In the fall of 1955 we, o group of "mixed-up, little freshmen", entered the scene of B.H.S. We soon become fomilior with the routine and struggled through English themes, math problems, and Latin conjugations. Two of our boys were on the Deboting team and troveled to Boone. We had district and state winners in the 4-H demonstrations.

The months passed quickly. As sophomores we enjoyed teasing the new freshmen as we had been teased. The first popularity king was elected from our closs and severol of our girls were chosen as cheerleaders. Two of our members attended the State Fair in Raleigh; some were elected to the Student Council, others made the football and basketball teams.

Summer vacotion was soon over and we returned as upperclassmen, at last! Two of our junior boys were co-coptains of the footboll team, the Junior ploy wos presented, class rings were chosen, and the Junior-Senior was declored a big success.

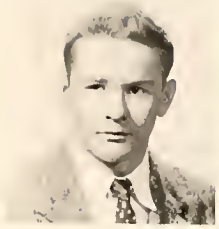

As the yeor draws to an end, we realize it has passed all too quickly. It is hardly believable that we who entered as freshmen in the fall of '55 will be great Seniors next year—then graduating in '59.

Among the large group of students seen gathering around the high school at the beginning of this year we, the sophomores, were a special group of veterans at B.H.S. Starting our second year, we faced the teachers and upperclassmen with new confidence. It gave us a feeling of pride to know our way around and to be able to give advice condescendingly to the freshmen.

As the year progressed, we gained more knowledge and began to set our goals in life. More of our time was devoted to "book-learning". Our candidate for Popularity Queen was elected by a narrow margin. This was achieved by the hard work of our whole class.

As this short year in our high school career comes to a close we, the class of 1960, look forward to next year when we become members of that highly privileged group of students—upperclassmen!

FRESHMAN CLASS OFFICERS

Johnny Bradburn President
Charles Bradburn *Vice-President*

School opened last fall on August 26. To us everything was in a state of confusion. For a while our time was spent dodging the upperclassmen, but they soon settled down.

Comments such as these were heard very frequently. "This lock has the wrong number."

"How can a person get lost in this building so easily?"

"Quick, back down the hall, there comes a senior."

"What's a demerit?"

The mass confusion slowly evolved into order, and we met new friends, participated in new activities, learned to study, and enjoyed ourselves. Also we learned to find our way around the new school without the "help" of the upperclassmen.

Our freshman class is the largest class in the history of Brevard High School. There are many promising athletes and leaders.

As our freshman year comes to an end, we look back on many pleasant memories. Wondering how we could have been so green and ignorant two semesters earlier, we are ready to face the responsibilities of being sophomores next year.

BLUE DEVILS HAVE BEST RECORD IN YEARS

BREVARD 44 TAYLORS 0

On the opening kick-off Cecil Lowery raced 85 yards to start the scoring. A few minutes later Lowery passed to Rhodes for another tally. Winchester plunged for 2 yards and the third touchdown. Lowery raced 61 yards, Winchester 21, and Teague 75 for three more touchdowns. Phil Moody made the final score on a 7 yard run.

BREVARD 35 REYNOLDS 7

Winchester scored touchdowns on runs of 4, 32, and 88 yards. Picklesimer scored from the 2 and on an 80 yard run. Heath kicked three conversions.

BREVARD 20 HENDERSONVILLE 6

Sweet revenge was realized when the Blue Devils out-played and outscored Hendersonville's Bearcats. Touchdowns were made by Jimmy Rhodes, Cecil Lowery and Charles Compton. Heath converted twice.

BREVARD 7 CANTON 9

On the second play from scrimmage, Cecil Lowery got the ball on Brevard's three yard line and raced the length of the field for Brevard's only score. Canton scored a 17 yard field goal and a touchdown, but missed the extra point, making the final score 9-7.

BREVARD 39 ASHEVILLE SCHOOL 6

Picklesimer contributed two touchdowns, and a 2-yard plunge by Cecil Lowery made the score 19-0. Tommy Waters recovered a fumble on the visitors' 28 and ran into the end zone standing up. Moody scored on a 28-yard run and the final score came when Jake Lowery passed to Bill Shuford.

Brevard High School is very proud of our excellent football team. Not only did the Blue Devils do some great football playing, but their good sportsmanship was complimented from many sources. The hard work of each player was rewarded when the team won nine games.

Cecil Lowery, Larry Picklesimer, Charles Winchester, and Phil Moody led the Blue Devils' scoring.

WON NINE, RANKED EIGHTH IN STATE

BREVARD 26 CHRIST SCHOOL 0

The action started by Cecil Lowery's 3-yard plunge. A 24-yard end-around play and a 2-yard plunge kept the pace. After a dull third stanza, Hollifield put Brevard back in the scoring. Heath converted.

BREVARD 13 HENDERSONVILLE 7

Larry Picklesimer scored on an option play. Winchester scored from the 17 on a pitchout from Picklesimer. The Bearcats made their only touchdown in the third period. Coach Humphries described it as a team victory.

BREVARD 32 WAYNESVILLE 13

Cecil Lowery scored four of Brevard's five touchdowns, three of which were on long runs. Phillip Moody scored Brevard's final score from the 3-yard stripe. Waynesville scored in the third and fourth quarters.

BREVARD 32 OWEN 14

A pass from Picklesimer to Rhodes that covered 78 yards put Brevard into the lead. Phil Moody scored two touchdowns, one from the 19 and the other from the 8. Lowery drove across from the 10 and Winchester scored from the Owen 31 for the final score.

BREVARD 19 ENKA 0

Brevard played its final game of the season in championship form. Charles Winchester scored from the 2. Phillip Moody literally bulldozed his way on a 45-yard touchdown run. Picklesimer ran a beautiful bootleg for a 54-yard touchdown. Lowery converted once.

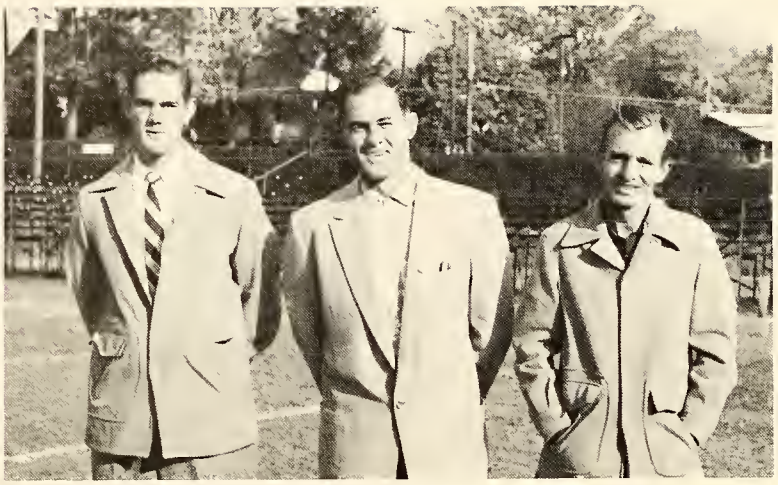

Every Blue Devil was especially proud when our team was twice victorious over Hendersonville. Brevard placed eight men on the Blue Ridge Conference all-star team and was ranked eighth among the AA high schools in the state. Brevard lost the Blue Ridge Conference by one vote in the fifth ballot.

Congratulations, Brevard Blue Devils, on one of the best football seasons in our high school's history.

COACHES

These ore the men who walk the sidelines impatiently during every game. Coaches "Buff" Humphries, McLeod, and Teague, wearing their black Stetsons, came through with o great team for the 57-58 season. They undoubtedly will do it again next year.

DEVILS

The mischievous antics these two boys get away with would fill a book. Earning their letter, Steve and "Flea" get into a lot of deviltry during football season.

JUNIOR VARSITY TEAM

All that was heard from the future "Blue Devils" this past fall were their aches and pains. "Why do we run so much?" "My leg hurts." "I can't leorn these plays." Valuable experience was gained in practicing teamwork and good sportsmanship. These will be essential next year when most of them will make the varsity squad.

As the Brevardier goes to press, the Blue Devils have three games remaining before they travel to Enka to play in the Blue Ridge Conference Tourney.

Highlights of the season were victories over Rosman, 58-34; Flat Rock, 55-33; Waynesville, 42-35; and Canton 56-55.

With only four of the twelve varsity players graduating this year, the Blue Devils should have an excellent team next year. We wish them the best of luck and hope they do what no other Blue Devil team has done: win the State Class AA Championship.

Congratulations to Coach McLeod on his fine work with the team and for building basketball into a major sport at Brevard.

BAND

Our band is a very vital part of the activities here at Brevard High. All summer we band members drill in the hot sun, teaching the new members which foot is their "left" and how to make formations in field shows for the approaching football season. This year we originated the newest style for hot summer parades—Bermuda shorts. "Didn't they look sharp—and feel comfortable!"

Nineteen of our band members attended the All State Band Clinic at Cullowhee and made an outstanding showing for the school.

We rehearse three afternoons a week after school for exchange concerts with surrounding schools, the Band Contest in March, and the commencement ceremonies. Our numerous activities support the school spirit in every possible way.

STAFF

We, of the BROADCASTER staff, hope that this past year we gave the student body and faculty alike some knowledge of the many newsworthy events that happened at Brevard High. All of us have enjoyed working on the paper and have tried to record the events exactly as they happened.

At the beginning of this year we won first place at Cullowhee, and naturally, we were a little nervous as we published the first issues of the paper. But from your remarks we gained confidence and really felt we had done a good job and had an equally good chance to win again this year.

Now as our last paper goes to press we feel sentimental toward all the hard work and planning put into every issue, and most of all, we remember and appreciate the spirit in which you have accepted our paper. It is you who have inspired us, and you alone who have made our paper what it is. So it is our hope that you feel we have done better than the best in our job as "newspaper reporters."

The editors and two staff members work at the Times Office as the paper is printed.

A busy staff sells "Broadcasters" to eager students.

THE STAFF

The BROADCASTER staff, which consists of capable, earnest students, strives constantly to bring pleasure to Brevard High School with a monthly newspaper.

"Blue and White, team fight, Brevard High dynamite!"

Go! Devils, go! This is the familiar phrase yelled by us at all B.H.S. ball games while boosting our teams on to victory. We are led in the cheers by the cheerleaders, who give their unlimited support to the school and to the teams. Raising money for our "Sweetheart Ball" in February is one of our projects. The new cheerleaders are chosen in the spring for the next school term.
